WELCOME TO

CJ's OFF THE SQUARE

Milestone moments deserve to be marked in a way that feels personal, thoughtful, and memorable. A milestone birthday, anniversary, or meaningful private celebration is a chance to bring the people who matter most together and create an experience that feels generous, welcoming, and worthy of the occasion.

At CJ's Off the Square, our Celebration Package is designed for hosts who care deeply about the guest experience but do not want to personally manage every detail. Nestled in the heart of historic downtown Franklin, our completely private venue includes exclusive use of our historic home, enchanting garden, and open-air pavilion, giving your event a natural flow while allowing each part of the celebration to unfold beautifully.

You may already know exactly what good hospitality looks like. You may have hosted beautifully at home or considered a private dining room at a favorite restaurant. But sometimes an occasion calls for a setting that feels more distinctive, along with a trusted team to bring everything together.

From chef-crafted menus and candlelit tables to thoughtful design guidance, seamless planning, and attentive service, our experienced team handles the details so you can stay focused on the people you gathered and enjoy the celebration alongside them.

If you're planning an occasion that deserves to feel personal, private, and beautifully handled, we'd love to invite you for a tour.

FREQUENTLY ASKED

Questions

How many guests can you accommodate?

We can comfortably accommodate up to 135 guests.

Is the venue truly private during our event?

Yes. The Celebration Package includes exclusive use of the entire property for the duration of your event. There are no shared spaces, outside guests, or overlapping events.

Is parking available for guests?

Yes. Guests will find free street parking near the venue and public lots within walking distance of our downtown Franklin location. Valet parking can be added for an additional fee.

Do you offer different menu options?

Yes. You may choose between a seated meal served in courses or a cocktail-style menu with stations and passed hors d'oeuvres. Our seasonal menus feature chef-crafted dishes inspired by Southern flavors with modern influence. Sample menus are available upon request or during your tour.

Can we supply our own alcohol?

Yes. You will work with our catering manager to select what you would like to serve. Alcohol is purchased through our preferred provider at cost, which is often a significant savings compared to restaurants or hotels. Your order is delivered directly to the venue, and our licensed bartenders provide mixers, garnishes, glassware, and ice. At the end of the evening, any unopened bottles are yours to take home.

Can I use the Celebration Package for a wedding reception?

No. The Celebration Package is intended for milestone birthdays, anniversaries, showers, private entertaining, and other non-wedding social or business events. Wedding receptions must be booked through our Wedding Package.

Weddings require a different level of planning and production support. The venue is used differently, additional spaces such as dressing rooms may be involved, and there is typically more coordination with hair and makeup artists, photographers, entertainment, florists, and other vendors, along with a more detailed timeline and event-day management. Our wedding pricing reflects that broader scope of service, even when the reception itself appears simple or nontraditional.

Bridesmaids Luncheon

Can we customize décor or add flowers?

Absolutely. Elegant candlelight centerpieces are included with every event. If you would like to enhance the design, we are happy to connect you with a trusted local florist. You are also welcome to incorporate personal décor elements, which must be reviewed and approved in advance to ensure they align with venue guidelines.

What happens if it rains?

Rain or shine, your celebration is in good hands. Our open-air pavilion is fully covered so your guests can dine comfortably while still enjoying the charm of the garden. If needed, our team can also adjust the flow of the event to use more of the indoor spaces in our historic home. No matter the forecast, your event will feel seamless, polished, and beautiful.

How much time is included for my celebration?

Your celebration may begin anytime between 10:00 AM and 7:00 PM, with up to five hours of event service. Most hosts choose to arrive about an hour before their guests for a brief walk-through with our event manager, take care of any personal finishing touches, and then be ready to welcome guests as they arrive. All events must end by 10 PM.

I'd love to tour the venue. Do I need to make an appointment?

Yes, appointments are required to visit the venue. Tap the link on the next page to schedule your visit or call (615) 216-7576.

How far in advance should we book our celebration?

Friday dates tend to book well in advance while Wednesday and Thursday are often more flexible. We recommend reaching out as soon as possible to check availability. Once your date is reserved, we can discuss when it will be convenient for you to meet with our planning team to select the design and flow of your event, and your menu preferences.

I'm ready to book! What's next?

Booking is easy. To reserve your date, we require a signed contract and a payment of \$4,000 to confirm your reservation. Both can be completed online.

We strongly recommend visiting the venue in person to experience the flow of the spaces and ensure it feels right for your event. If you are planning from out of town, we are happy to schedule a virtual tour.
